Zorbex Technologies

Employee Handbook, 2026 Edition

1. About the Company

Zorbex Technologies is a software company founded in 2019 in Lahore, Pakistan, by Hira Malik and Danish Qureshi. The company builds inventory and billing software for small shops and pharmacies. Its main products are ShopTrack, a stock management app, and BillEasy, a billing and invoicing tool.

Zorbex has 64 employees across three offices: the head office in Gulberg, Lahore, a development office in Islamabad (F-8 Markaz), and a small support office in Karachi (Clifton). The company's mission is to make professional software affordable for every small business in Pakistan.

The current CEO is Hira Malik. The CTO is Danish Qureshi. The head of Human Resources is Ayesha Raza, who can be reached at hr@zorbex.example or on internal extension 210.

2. Working Hours

Standard office hours are 9:00 AM to 6:00 PM, Monday to Friday, with a one-hour lunch break from 1:00 PM to 2:00 PM. The offices are closed on Saturday and Sunday.

Employees may arrive between 8:30 AM and 10:00 AM if they complete a full nine-hour day. Arriving after 10:00 AM more than three times in a month is recorded as late arrival, and a written warning is issued on the fourth late arrival.

During Ramadan, office hours change to 10:00 AM to 4:00 PM with no lunch break. The company provides a free iftar meal at the office every Friday during Ramadan.

3. Remote Work Policy

Employees who have completed their six-month probation may work from home on Wednesdays and Thursdays. Remote work on any other day requires written approval from the team lead at least 24 hours in advance.

Remote employees must be available on Slack and join the daily stand-up meeting at 10:30 AM on video. Employees who work remotely are given a monthly internet allowance of PKR 3,000, paid with the salary.

4. Leave Policy

Every full-time employee receives 18 days of paid annual leave per year. Annual leave is credited on January 1 and unused days up to a maximum of 6 can be carried over to the next year.

Sick leave is 10 days per year. A medical certificate is required for sick leave longer than 2 consecutive days. Casual leave is 8 days per year and must be requested at least one day in advance, except in emergencies.

Maternity leave is 90 days of fully paid leave. Paternity leave is 7 days of fully paid leave, to be taken within 30 days of the child's birth.

Leave requests are submitted through the HR portal and approved by the team lead. Leave of more than 5 consecutive days also needs approval from the head of HR. Unapproved absence for more than 2 days is treated as a serious violation of company policy.

5. Salary and Benefits

Salaries are paid on the 28th of every month by bank transfer. If the 28th falls on a weekend or a public holiday, salaries are paid on the last working day before it.

Performance reviews are held twice a year, in June and in December. Employees rated Exceeds Expectations receive a salary increase of up to 15 percent. A yearly bonus equal to one month of salary is paid in December to employees who joined before July 1.

Health insurance is provided to all full-time employees and covers hospital stays up to PKR 500,000 per year. Family coverage for a spouse and up to two children can be added by paying 40 percent of the additional premium.

Employees who use their own vehicle for office errands are paid a fuel allowance of PKR 25 per kilometre. Lunch is not provided on regular days, but tea, coffee and snacks are free in all offices.

6. Equipment and IT Security

New employees receive a company laptop on their first day. Developers receive a laptop with at least 16 GB of RAM. The laptop remains company property and must be returned when the employee leaves.

All company laptops must use full-disk encryption and a screen lock that activates after 5 minutes. Passwords must be at least 12 characters long and must be changed every 90 days. Two-factor authentication is required for email, GitHub and the cloud console.

Employees must never share passwords, API keys or customer data over personal messaging apps. Any lost laptop or suspected data leak must be reported to the IT team at it-help@zorbex.example within one hour. Customer data may only be accessed from company laptops, never from personal devices.

7. Code of Conduct

Zorbex expects respectful behaviour from every employee. Harassment, discrimination and bullying are not tolerated and can lead to immediate termination. Complaints can be sent confidentially to Ayesha Raza in HR.

Employees may not accept gifts worth more than PKR 5,000 from customers or vendors. Working for a competing company while employed at Zorbex is not allowed.

8. Onboarding and Probation

The first week for a new employee includes an office tour, setup of the laptop and accounts, and an introduction to ShopTrack and BillEasy. Each new employee is paired with a buddy for the first month.

The probation period is six months. During probation, the notice period is 7 days. After probation is confirmed, the notice period is 30 days. Employees on probation receive 9 days of annual leave instead of 18.

Training budget: every employee can spend up to PKR 40,000 per year on courses, books or certifications related to their job, with approval from the team lead. Employees who leave within 6 months of a paid certification must repay the cost.
